Littleport Town Cricket Club would like to thank **The Spice Lounge** for hosting our Curry Night fundraiser which raised a magnificent **£340**. A great time was had by all and the food was, as usual, first class. Donations such as this, especially in the current tough economic climate, help make it possible for the Cricket Club to cover our ever increasing diesel, maintenance, insurance and general running costs.

Many thanks to you and your team and we look forward to our next meal with you.
